

## **SPECIALIST EWSI CONSULTANT**

Location – Lincoln based with overseas travel to the Middle East  
c£: £45 - £60k + Benefits (Overseas expenses all paid for)  
12 Month Fixed Term Contract – Starting Mar 2023  
EWSI Capability Familiarisation Training Provided by Mercury EW Ltd

Mercury EW Ltd is veteran owned company populated by Ex Her Majesty's Forces Electronic Warfare (EW) and training management specialists. We pride ourselves on delivering first class, operationally focused domain knowledge expertise and services to the Defence Industry, Ministry of Defence, UK and overseas Armed Forces. We have an urgent opportunity for highly experienced EW/SI expert to supplement a UK based team for a Middle East customer.

Reporting directly to Mercury EW Ltd management and our Client, the quality and range of your previous knowledge and experience will be vital to the success of your role. Your role will involve the opportunity to maintain and support leading edge, high profile defence projects.

This role would ideally suit an ex Royal Corps of Signals Traffic Officer, Yeoman of Signals Electronic Warfare or Senior Non-Commissioned Officer (SNCO) with a proven operational EW/SI and training background. Your interpersonal skills must be of the highest order as well as being well organised, totally reliable, self motivated be clearly focused on delivering quality services.

### **Key Tasks**

The primary tasks of the role will be to:

- Provide EWSI capability operational support to a Middle Eastern end user group
- Provide EWSI capability training support to a Middle Eastern end user group
- Conduct role performance analysis – using training management skills to identify core roles the training should be designed to cover
- Work with international stakeholders to facilitate the production of the above

Other duties will include:

- Presenting and reporting on progress
- General administration
- Attending and / or facilitating meetings
- Overseas travel

### **Skills, Qualifications and Experience Required**

- Must be a UK national with Security Clearance Secret or higher

- Proven technical, operational and training knowledge and expertise across deployed Land EWSI capabilities
- Minimum of ten years EWSI operational experience
- Planning and Project Management skills
- Skilled in the use of MS Office software Word, Excel and PowerPoint including experience of mind-mapping software or similar
- Customer focus and good business sense
- Strong relationship builder
- Consultancy skills
- Flexible in approach and calm under pressure
- Have the highest level of personal and professional integrity
- Have an analytical and logical approach
- Be a self-starter
- Have excellent time management skills
- Be fluent in speaking, reading, writing and listening in the English Language
- Trained in UK Armed Forces training standards
- Ideally some experience with military overseas students
- Have knowledge and understanding of the cultural aspects of life in the Middle East. All applicants must meet all the minimum qualifications for working the Middle East.

### Personality/Behaviours

The candidate must be able to work alone and as part of a small team to a schedule of work activities. Must be able to demonstrate initiative whilst carrying out scheduled activities and prepared to work long hours on occasion to meet demanding deadlines. Must be able to plan and carry out tasks as directed by the Mercury EW Ltd Management to a high standard of quality. Must be prepared for long term overseas travel to support this project. Be extremely flexible with a "can do" attitude.

The ideal candidate for this position will be:

- An Ex Traffic Officer / Yeoman of Signals Electronic Warfare / SNCO EWSI Land based experience
- Experience in working in the Middle East
- Customer focused
- Required to produce high quality work and able to use own initiative
- Self-motivated
- A team player and the ability to liaise with staff and partners from other disciplines
- Required to have excellent written and verbal communication skills
- Good project management skills
- Able to accept responsibility
- Conversant with all Microsoft Office applications

To apply, please either write with a full CV, covering letter and current salary details to Mercury EW Ltd, Haverholme Priory Office, Haverholme Park, Ewerby, Sleaford, Lincolnshire, NG34 9PF or send your CV, covering letter and current salary details via email to [info@mercuryew.com](mailto:info@mercuryew.com).
